Dear WGEID,

In recent development since the last communication received from the WGEID on 5 September 2007 regarding the enforced disappearance of Mr. Lopoe Adruksang and Mr. Lobsang Thokmey, the Tibetan Centre for Human Rights and Democracy (TCHRD) yesterday learned about the Kardze Intermediate People's Court, Sichuan, China, to have passed imprisonment terms of 10 years and 3 years respectively.

Since their disappearance and sudden brief appearance in court yesterday, it is still not revealed where they are being detained.

In the wake of the swift and extremely harsh sentence on the two, please find TCHRD's press release at <http://tchrd.org/press/2007/pr20071120.html>

Please find below two independent media reports on the sentencing of the Tibetans. Please note that the names are rendered in Chinese derivation which is spelled as Lubo for Lopoe and Lutog for Lothok (shortened form of Lobsang Thokmey)

Dear UNWGEID,

The Tibetan Centre for Human Rights and Democracy (TCHRD) based in India wishes to submit a communication regarding enforced disappearance of a Tibetan monk, Aduksang Lopoe, since 21 August 2007.

His disappearance comes in the wake of recent political turmoil in Lithang County, Karze "Tibetan Autonomous Prefecture", Sichuan Province, China, and spate of arbitrary arrests and detentions undertaken by the local police. TCHRD is gravely concerned about the whereabouts and well being of Aduksang Lopoe. The Centre seeks the urgent intervention by the UNWGEID to ensure his whereabouts and thus prevent extra judicial killing or torture upon him.

Thanking you in anticipation,

Sincerely,
