WORKING GROUP ON ARBITRARY DETENTION Centre for Human Rights United Nations 8 - 14 avenue de la Paix 1211 Geneva 10 SWITZERLAND

Fax: (022) 733 9879

Dear Sirs:

Please find accompanying this fax details of three Tibetans who remain incarcerated at the Maldro Gungkar District Prison on whose behalf we recently issued an Urgent Action.

The Central Tibetan Administration is gravely concerned about the fate of Tibetan political prisoners in occupied-Tibet as the Chinese authorities coduct routine torture on them. We are also concerned about the fate of Mr. Karma, Monlam and Mr. Gyatso as they are detained for the past two months without the knowledge of the outside world.

The Human Rights Desk would be highly grateful if the Working Group could immediately raise our concerns with the Chinese Government.

With best wishes,

Sincerely yours,

Ngawang Choephel HUMAN RIGHTS OFFICER

TIBET (Prisoner of Conscience)

Brief description of the case: Three Tibetan men were arrested between 17 and 19 March, 1992 from Gyama Trigang village in Maldro Gungkar district of Lhasa. A recent traveller to Lhasa quoting sources in Lhasa said that these Tibetans were arrested in connection with the appearance of some wall-posters in the district. The wall-posters demanded Tibetan independence and asked the people of the district to protect their land from diamond and gold explorations by the Chinese authorities.

Karma, 40, husband of Pasang and father of three children hails from a poor peasant family in Gyama Trigang village, about 80 kms east of Lhasa. According to this reliable source who cannot be named, he was arrested after his neighbours tipped the Chinese authorities on his involvement in wall-posters. He was detained on 14th day of the First Tibetan month, i.e. 17 March, 1992.

Two days later on 19 March, Monlam, 20 and Gyatso 22, natives of the same village were arrested as other Tibetans allegedly involved in the case. As of 19 May, 1992 all three are being detained at the Maldro Gungkar District prison which is known to have poor and squalid conditions. It is not being known whether their families members have been allowed to meet them or whether they have been officially charged or otherwise sentenced.

It is clear from these unknown detention that Tibetans activists are facing secret persecution from the Chinese authorities in the villages. For the part two months these three Tibetans have been for the part two months these three Tibetans have been outside world. The Central Tibetan Administration of outside world. The Central Tibetan Administration of outside world. The Central Tibetan Administration of outside world about the fate of Karma, Monlam and Gyatso. We are further worried that these prisoners of conscience have been beaten and tortured during their of conscience have been beaten and tortured during their the Chinese authorities to immediately release detailed information about their detention to the UN Centre for Human Rights in Geneva.
